Professional Summary

Hospitality and Client Relations Professional with a robust background spanning tourism complex operations, real estate sales support, and digital marketing. Having managed daily workflows, inventory logistics, and guest experiences in dynamic lodging environments, I maintain rigorous service standards while ensuring seamless operational efficiency.

I have successfully translated my strong foundation in client relations into the real estate sector, where I specialize in CRM management, bilingual customer service, and lead tracking to support commercial growth. I actively integrate digital marketing strategies, social media management, and content creation into my workflow.

Currently pursuing a Diploma in Sustainable Tourism Management at UNED to align my practical experience with sustainable, long-term industry strategies. By applying advanced Excel, KPI tracking, and data analysis fundamentals, my goal is to transform operational and commercial data into actionable insights.
